Deposit

New student deposit is \$305 and returning student deposit is \$205, both of which include registration, insurance and a \$100 contribution fee. We will collect the \$100 contribution fee at registration; however, parents willing to donate volunteer hours to our school will be given a tuition credit up to \$100 (\$10 per hour for up to 10 hours served). Credit will be applied December 1 and May 1. Families with multiple children at Woods Creek only will pay one \$100 family contribution fee.

Fees

- Tuition payments are due on the 1st of the month and considered late after the 5th when a \$25 late fee will be assessed on the following month's tuition invoice.
- Late pick fee up is \$25. Campus dismissal times are 12:30, 3:00, 4:00 and 5:30 and a student is considered late at 12:45, 3:15, 4:05 and 5:45.
- Parents are asked to bring snacks for one week on a rotating class schedule – those parents who wish to opt out of being on the snack schedule, may pay a yearly fee of \$164.

Tuition

Tuition is not a monthly payment. It is a yearly fee for which we offer three ways to pay.

- Full Year (single) payment is nonrefundable and due on or before August 1st. Parents choosing this plan will receive a 3% discount on the school year tuition.
- Semester (two) payments are nonrefundable and due on or before August 1st and December 1st. Parents choosing this plan will receive a 1 ½% discount on the school year tuition.
- Ten equal installments are due on or before the 1st of the month, beginning August 1st through May 1st.

No reduction in tuition or make up days are granted for absences due to vacation or illness, as the school continues to hold the child's space and to meet fixed costs of our school operation.

We offer a 5% sibling discount on the lesser tuition for currently enrolled siblings.
